

Notice of Hearing Extension

In response to a request by the Environmental Protection Agency to extend the public comment period for the April 19, 2005 Periodic Review Hearing, the Department of Health hereby extends the comment period to at least 5:00 p.m. CDT June 17, 2005. In the event that new circumstances arise surrounding this issue, the Department is willing to extend the comment period an additional two weeks through June 30, 2005.
