

NORTH DAKOTA SPECIALISTS
Authorized To Provide Services Under
CHILDREN'S SPECIAL HEALTH SERVICES

In order to have health care visits paid for by Children's Special Health Services (CSHS), North Dakota providers must be approved as participating specialists. To start the enrollment process, providers are encouraged to submit a letter of intent to CSHS. Additional documentation may vary by type of provider, but generally the following is submitted for review by the CSHS Medical Director.

- Copy of license
- Copy of certification
- Vitae (if available)

CSHS uses the Medicaid Management Information System (MMIS) for claims processing. Before payments can be approved by CSHS, providers must complete a Medicaid Program Provider Agreement, which enables them to be enrolled in the Medicaid claims processing system.

If a provider is not on the CSHS North Dakota Specialists list, he or she can be contacted to see if they would like to enroll. **To assure payment, the provider must meet the established qualifications and be willing to enroll as a Medicaid provider.**

The following physicians meet the established qualifications, but do not accept CSHS payment for Diagnostic or Treatment Services:

Rick Paulson, MD
John W. Mosher, DDS
Michiel J. Nuveen, DDS

Plastic Surgeon
Pedodontist
Orthodontist
