**Responsible Party:** Aggregate Industries

**Date Incident:** 7/30/2014      **Time Incident:** 10:30 a.m      **Duration:**

**County:** Cass      **Twp:** 140      **Rng:** 49      **Sec:** 33      **Qtr:**

**Lat:** 46.90045      **Long:** -96.86350      **Method:** Interpolation from map

**Location Description:** Spill occurred on the roadway (Aggregate Industries Drive & 12th Avenue, near Aggregate Industries' site located at 1005 Aggregate Industries Drive in Fargo, ND.

**Submitted By:** Patty Christensen      **Affiliation:** Aggregate Industries

**Address:** 2815 Dodd Road, Suite 101

**City:** Eagan      **State:** MN      **Zip:** 55121

## Received By:

**Contact Person:** Patty Christensen  
2815 Dodd Road, Suite 101  
Eagan, MN 55121

**Distance Nearest Occupied Building:**

**Release Contained:** Yes

**Type of Incident:** Hydraulic line broke on vehicle

**Description of Released Contaminant:** Hydraulic Oil

**Volume Spilled:** 15.00 gallons

**Ag Related:** No

**EPA Extremely Hazardous Substance:** No

**Reported to NRC:** Unknown

## Cause of Incident:

The hydraulic line on a ready mix truck broke, spilling approximately 15 gallons of hydraulic oil on the roadway.

## Risk Evaluation:

No hazards.

**# of Fatalities:**

**# of Injuries:**

**Affected Medium:** 09 - other

## Potential Environmental Impacts:

No environmental impacts on the water or ground.

## Action Taken or Planned:

The spill was contained by putting sand on the hydraulic oil which spilled onto the roadway and the contaminated sand was then picked up from the roadway.

**Wastes Disposal Location:** Contaminated material was put into a recycle material pile on-site, and is no longer recoverable. This was not according to the Company's internal site procedure, and as such, the proper procedure has been reviewed with the personnel involved in this incident to ensure that in

the future all contaminated sand/material is not mixed with other product material on-site. The Company's internal policy is to keep the contaminated material in separate containment for disposal at an accepted disposal site such as American Enterprises in West Fargo, ND.
