Notes:

The weather was 91°F and clear with wind from the south 20 mph. The truck ended up on the edge of a construction site. The trucking company has scraped up a truckload of dirt from this area. The truck left a streak of stained grass from the highway to the spot it landed. The truck missed the steep ditch. The company will be mowing and bagging grass. There was a heavily stained area on west side of ditch that was scraped up. No further followup is needed at this time.
