Hi Scott. Here is the info you requested regarding the state radio call I received at 1:09pm.

Tanker rollover near Mandaree at Highway 73 and Highway 22. Three Affiliated Tribes police and Mandaree fire dept on scene with containment barriers. One-half gallon crude oil spilled and 30 gallons diesel fuel spilled (from ruptured gas tank). MBI is the responsible party and are in the process of cleanup. Mckenzie County emergency manager Caroline Rockval is contact at 701-444-6853.

Notes:

I arrived at the site at 3:26 p.m. The weather was 73 °F and clear, with wind from the southeast 10-15 mph. The truck has been removed. MBI personnel were waiting for the cleanup company. MHA personnel had been to the site earlier. The site will be done tonight. The truck rolled on the north side of Highway 73. More followup needed to check the cleanup progress.

Notes:

10/1/2014 at 14:42, on location. Highway shoulder scraped with no visible staining to ground or vegetation remaining here. Small spot of blackish oil on vegetation ~1 ft long and ~3 in wide, about 50 ft downhill from incident location. It does not appear to be related.
