EMERGENCY MEDICAL SERVICES
QUICK RESPONSE UNIT SERVICE PILOT PROGRAM

NEW QUICK RESPONSE UNIT SERVICES DISTRIBUTION POLICY

TIME GRANT IS AVAILABLE:

The grant funds are available for the creation of new quick response unit services from July 1, 2009 to June 30, 2010.

GRANT PURPOSE:

The funds will be targeted to provide an incentive to create new quick response unit services in areas not already served.

GRANT ELIGIBILITY REQUIREMENTS:

Total funds available are limited to the Division of Emergency Medical Services and Traumas' grant appropriation for this purpose. A new quick response unit service may receive \$5,000 from the Division of Emergency Medical Services and Trauma for the purpose of creating a new quick response unit in an area not already served, provided that the following conditions have been met:

- A. That the new quick response unit service's grant request is submitted on the form entitled "NEW QUICK RESPONSE UNIT SERVICE GRANT REQUEST" provided by the Division of Emergency Medical Services and Trauma.
- B. That the new quick response unit service will become licensed or certified by the State Health Department, and must have at least 60% of its total call volume originate in North Dakota. Industrial/special services/units are not eligible for the grant.
- C. That the new quick response unit service was not a certified entity during the previous two years.
- D. That the new quick response unit service must have volunteers who provide patient care.
- E. That the grant request must be received by the Division of Emergency Medical Services and Trauma on or before June 18, 2010.

Grants will be distributed in the order the completed and eligible applications are received at the Division of Emergency Medical Services and Trauma until the entire grant fund has been disbursed.
