

EMS TRA-CCS

Trauma and Critical Care Series:
Simple Education for Complex Care

Starting in April 1, 2015, HCMC, in collaboration with Trauma Services and Emergency & Critical Care Education, will once again bring you a monthly hour-long webinar focused on relevant and up-to-date topics in pre-hospital clinical care and EMS industry standards.

April 1, 2015
“Starting with A”
Dr. Nick Simpson, Hennepin EMS Fellow

**Register today to be included in
the kick-off session!**
