Instructions: Place an "X" in the box that corresponds with the temperature (columns), day of the month, and am or pm (rows) for your temperature check. Then enter your initials and the time you monitored the temperature in the appropriate boxes. **If the temperature is in the gray range:** Store controls under proper condition as quickly as possible, call the manufacturer to determine whether the potency of controls has been affected, and call the HIV Prevention Coordinator at 1-800-472-2180. Document action on the back of this form.
