

# School Immunization Honor Roll

## 2018-2019 School Year

In order to keep vaccine preventable diseases from spreading through a community, the vaccination rates must reach 95%. The following elementary schools reached the 95% vaccination rate among kindergarteners for all required immunizations during the 2018-2019 school year. We would like to recognize them for their hard work in ensuring their students are safe and healthy!
