

It's their turn!

Pre-teens need vaccines too!

To be protected.
To be healthy.

Pre-teens ages 11 and 12 need to receive vaccines to be protected against serious diseases, including meningitis and whooping cough.

Schedule an appointment with your child's health-care provider.

For more information, call 800.472.2180 or visit www.ndhealth.gov/immunize.
