**CDC**  
**Helpful Tips**

While you take a bite out of your burger – don't let mosquitoes take a bite out of you! Use an effective insect repellent to avoid being a Bug's lunch.

**POSITIVE BIRD, HORSE, AND OTHER VET**

County	Bird	Horse	Other Vet
Walsh	0	0	2
Pembina	0	0	1

**MOSQUITO INFORMATION**

West Nile virus brochures and posters are available to order free-of-charge from the NDDoH, visit [www.ndhealth.gov/wnv](http://www.ndhealth.gov/wnv) and go to educational materials.

**CDC National Data**

Map shows the distribution of avian, animal, or mosquito infection occurring during 2011 with number of human cases if any, by state. If West Nile virus infection is reported to CDC from any area of a state, that entire state is shaded.

□ No WNV activity reported  
 ■ Non-human activity only\*  
 ■ Human disease cases or presumptive viremic donors†

\* Includes WNV veterinary disease cases and WNV infections in mosquitoes, birds, and sentinel animals.  
 † WNV activity in non-human species also might have been reported.
