

Radon Measurement and Mitigation Personnel in North Dakota

February 2012

NEHA certified means that the contractor has successfully completed all radon training and testing requirements, and has agreed to follow Radon Measurement and Mitigation Standards. The North Dakota Department of Health endorses EPA guidelines for radon measurement and Mitigation work done within the state. If you have training and experience, and feel that you are qualified to be on this list, please contact the Department at 701-328-5188.
