**WASH YOUR HANDS**

So you don't get sick!!!

## Stop the spread of *Salmonella*

- Chicks and ducklings are not appropriate pets for children younger than 5.
- ▲ Don't nuzzle or kiss chicks and ducklings.
- Keep chicks and ducklings out of the kitchen and family living areas.
- ▲ Don't use the kitchen sink to clean cages, feed or water containers.
- Call your health-care provider if you think you have a *Salmonella* infection.

### ***DID YOU KNOW!!***

*Certain requirements must be met in order to bring animals into the state. Call the ND State Board of Animal Health for more information.*
