

**Healthy North Dakota Early Childhood Alliance**  
*Access to Health Insurance and Medical Home*

**Goal 1: To develop an information and referral process, identification and training program.**

**Objective: By**

**Performance Measure/Evaluation:**

**Data Sources:**

<b>Activity #1-1-a: By 20___, convene a program for training.</b>	
<b>Responsible Committee Members</b>	<b>Partners and Roles</b>
<b>Performance Measures/Evaluation (list data source)</b>	<b>Legislation/Policy</b>
<b>Timeline</b>	<b>Funding/Resources</b>
<b>Strategies to overcome barriers/challenges</b>	
<b>Activity #1-1-b: By 20___, develop public relations messages.</b>	

<b>Responsible Committee Members</b>		<b>Partners and Roles</b>	
<b>Performance Measures/Evaluation (list data source)</b>		<b>Legislation/Policy</b>	
<b>Timeline</b>	<b>Funding/Resources</b>		
<b>Strategies to overcome barriers/challenges</b>			
<b>Activity #1-1-c: By 20___, develop a benefits planning system.</b>			
<b>Responsible Committee Members</b>		<b>Partners and Roles</b>	
<b>Performance Measures/Evaluation (list data source)</b>		<b>Legislation/Policy</b>	
<b>Timeline</b>	<b>Funding/Resources</b>		
<b>Strategies to overcome barriers/challenges</b>			

**Output:** A partnership with the Children’s Defense Fund to produce an accurate website.  
A working benefits planning system.

**Outcomes:** Short term: Convening of a discussion regarding development of website tools.  
Long term: A usable process for people to receive accurate, timely information.

**Goal 1-2: To clarify a needs assessment process and to identify screening needs.**

**Objective:** *By*

**Performance Measure/Evaluation:**

**Data Sources:**

<b>Activity #1-2-a: By 20___, develop survey to assess HNDECA members and others regarding what screenings (for all populations of children) are required, optional and commonly utilized.</b>	
<b>Responsible Committee Members</b>	<b>Partners and Roles</b>
<b>Performance Measures/Evaluation (list data source)</b>	<b>Legislation/Policy</b>
<b>Timeline</b>	<b>Funding/Resources</b>
<b>Strategies to overcome barriers/challenges</b>	

**Activity #1-2-b: By 20\_\_\_, assess where the gaps are in screening services.**

<b>Responsible Committee Members</b>	<b>Partners and Roles</b>
--------------------------------------	---------------------------

<b>Performance Measures/Evaluation (list data source)</b>	<b>Legislation/Policy</b>
---	---------------------------

<b>Timeline</b>	<b>Funding/Resources</b>
-----------------	--------------------------

**Strategies to overcome barriers/challenges**

**Activity #1-2-c: By 20\_\_\_, assess the best practices and determine which screenings are evidence based.**

<b>Responsible Committee Members</b>	<b>Partners and Roles</b>
--------------------------------------	---------------------------

<b>Performance Measures/Evaluation (list data source)</b>	<b>Legislation/Policy</b>
---	---------------------------

<b>Timeline</b>	<b>Funding/Resources</b>
-----------------	--------------------------

**Strategies to overcome barriers/challenges**

<b>Activity #1-2-d: By 20___, convene a cross-section of HNDECA members to receive the report and begin implementation of best practices.</b>	
<b>Responsible Committee Members</b>	<b>Partners and Roles</b>
<b>Performance Measures/Evaluation (list data source)</b>	<b>Legislation/Policy</b>
<b>Timeline</b>	<b>Funding/Resources</b>
<b>Strategies to overcome barriers/challenges</b>	

**Output:** Decisions about recommended use of screening tools to assure healthy children.  
Exploration of potential traction for universal screening.

**Outcomes:** Short term: Convening of a cross-section of HNDECA members who are interested/knowledgeable in assessment and screening.  
Long term: An inventory of evidence-based recommended tools that promote intervention and prevention. Greater involvement by the members of the American Academy of Pediatrics in this initiative..

**Goal 1-3: To sustain the Medical Home program.**

**Objective:** *By 20\_\_\_*

**Performance Measure/Evaluation:**

**Data Sources:**

**Activity #1-3-a: By 20 \_\_\_\_, NDECA supports the Integrated Services Grant program as the lead group in medical.**

<b>Responsible Committee Members</b>	<b>Partners and Roles</b>
--------------------------------------	---------------------------

<b>Performance Measures/Evaluation (list data source)</b>	<b>Legislation/Policy</b>
---	---------------------------

<b>Timeline</b>	<b>Funding/Resources</b>
-----------------	--------------------------

**Strategies to overcome barriers/challenges**

**Activity #1-3-b: By 20 \_\_\_\_, integration of health into other transition activities.**

<b>Responsible Committee Members</b>	<b>Partners and Roles</b>
--------------------------------------	---------------------------

<b>Performance Measures/Evaluation (list data source)</b>	<b>Legislation/Policy</b>
---	---------------------------

<b>Timeline</b>	<b>Funding/Resources</b>
-----------------	--------------------------

<b>Strategies to overcome barriers/challenges</b>	
<b>Activity #1-3-c: By 20___, explore development of legislation to support medical home in the future.</b>	
<b>Responsible Committee Members</b>	<b>Partners and Roles</b>
<b>Performance Measures/Evaluation (list data source)</b>	<b>Legislation/Policy</b>
<b>Timeline</b>	<b>Funding/Resources</b>
<b>Strategies to overcome barriers/challenges</b>	

**Output:** A disease management system that includes quality improvement systems and involves parent/family participation.

**Outcomes:** Short term: A decrease in hospitalizations, overall health care costs and reduction in provision of unnecessary services.  
 Long term: All North Dakotans have a medical home.
