

Healthy North Dakota Early Childhood Alliance
Parent Education Subcommittee

Goal 3-1: To increase the opportunities for parents to receive parent education.

Objective: *By 2012, review all existing programs and the opportunity it may present to incorporate parent information and build on those opportunities.*

Performance Measure/Evaluation: Number of type of infrastructure and networks expanded or developed that promote and sustain parent education in North Dakota.

Data Sources: HNDECA Subcommittee meeting minutes.

Activity #3-1-a: By 2012, continue to support the Nurtured Heart and Conscious Discipline programs.	
Responsible Committee Members All HNDECA members	Partners and Roles
Performance Measures/Evaluation (list data source)	Legislation/Policy None.
Timeline	Funding/Resources
Strategies to overcome barriers/challenges	

Output: A well developed resource network.

Outcomes: Short term: Reduction in stigma about parent education and an elevation of parent education as a priority for families.
Long term: Increased program offerings and parent attendance leading to an army of confident, empowered parents.

Goal 3-2: Increase the opportunities available for Tribal Communities regarding parent education.

Objective: *By May 2012, support early childhood health and wellness discussion circles.*

Performance Measure/Evaluation: Number and type of new or expanded resources and opportunities made available for Tribal communities regarding parent education.

Data Sources:

Activity #3-2-a:	
Responsible Committee Members Linda Rorman HNDECA Stakeholders	Partners and Roles ND State Head Start Collaboration Office
Performance Measures/Evaluation (list data source)	Legislation/Policy None.
Timeline	Funding/Resources N/A
Strategies to overcome barriers/challenges	

Outputs: Potential educational training via tribal infrastructure, Indian Health Tribal programs and schools (similar to efforts of KAT Productions).

Outcomes: Short term: Establishing relationships that are mutually respectful and beneficial..
Long term: Tribal citizens will seek parent education resources for their communities and all parent education offerings are made available.
