

HNDECA Legislative Messaging Packets

Legislative messaging packets will be available at any time prior to the 2013 Legislative session. If your organization would like to participate in this opportunity to work with your constituents to give them a voice and share their experiences in receiving services and working with your programs, please complete the following request and remit to Cheryle at the North Dakota Department of Health. Your requested number of packets will be sent to you. You may begin collecting the stories of the family's experiences and outcomes throughout the year(s) prior to the legislative session. If you have any questions please contact Cheryle Masset-Martz at 701.328.2790.

Thank you in advance for your participation in this important sharing opportunity to bring exposure to the great work of our HNDECA stakeholders and partners.
