

Focused Conversation

Topic: Connecting the Dots Webinar on Shared Risk and Protective Factors

Rational Aim:
Understand connections with other forms of violence and generate ideas for collaboration

Experiential Aim:
Engagement with and interest in shared risk and protective factors

Opening/Context:
Did everyone have an opportunity to watch the Connecting the Dots webinar?

Objective:

- *What is one thing you remember from the Connecting the Dots webinar (go around)?*
- *What are some other things that stood out to you?*

Your intents for each level:

- *To refresh people's memories*
- *To understand where they are at with the material*
- *To start brainstorming ideas for using the material*
- *To determine next steps*

Reflective:

- *Where do you feel confident in your knowledge about the shared risk and protective factors?*
- *Where do you still have questions?*

Interpretive:

- *What insights are beginning to emerge?*
- *What options exist for integrating these concepts into your work?*
- *In what ways are you inspired to incorporate these ideas into your CAT and COE work?*
- *What support would you need in order to be successful with integration and incorporation?*

Decisional:

- *What's the next step you will take towards integration and incorporation?*
- *What would you like to focus on next time we talk about shared risk and protective factors?*

Closing: Thank you for your time. We will take your ideas and consider options for future trainings and discussions.
