

Certified Child Passenger Safety Technician Workshop
Interactive Video Conference
July 15, 2011
10:00 am to 12:00 pm CST

Workshops are offered to currently certified child passenger safety technicians via interactive video-conferencing. The workshops cover a wide range of child passenger safety topics. The goal of these workshops is to bring certified technicians up-to-date on best practice methods for buckling up children.

Child passenger safety technician continuing education units (2) will be available for these trainings. July's workshop topics include:
