

# North Dakota Certified Child Passenger Safety Recertification Workshop

Interactive Video Conference AND Webcast

September 6, 2012

12:00 pm to 2:00 pm CST

Workshops are offered to currently certified child passenger safety technicians via interactive video-conferencing. The workshops cover a wide range of child passenger safety topics. The goal of these workshops is to bring certified technicians up-to-date on best practice methods for buckling up children. Child passenger safety technician continuing education units (2) will be available for these trainings.
