Memo

Please share as appropriate.

To: North Dakota Clinical Laboratories
From: Christie Massen (clmassen@nd.gov)
       Director, Division of Microbiology
Date: 5/14/2020
Re: FDA EUA SARS-CoV-2 IgG

The 2020 Directory of Services was sent out earlier this year. The Directory of Services is a resource meant to guide you from specimen collection through the processing and reporting of tests offered by our laboratory.

<table>
<thead>
<tr>
<th>SARS-CoV-2 IgG</th>
<th>Acceptable Specimen: 2 ml serum or plasma</th>
<th>Stability: Ambient: 16 hours; Refrigerated: 7 days; Frozen: &gt;7 days</th>
<th>Normal Value: Negative</th>
<th>Turn Around Time: 3 days</th>
<th>No Charge</th>
</tr>
</thead>
<tbody>
<tr>
<td>CPT CODE: 86769</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

*Positive results may be due to past or present infection with non-SARS-CoV-2 coronavirus strains, such as coronavirus DKU1, NL63, OC43, or 229E. Results from antibody testing should not be used as the sole basis to diagnose or exclude SARS-CoV-2 infection or to inform infection status.

Please refer to the Fact Sheet for Healthcare Providers and the Fact Sheet for Recipients for additional information.

If you have any questions, please contact our facility for the recommended guidance. We are here to serve you!
