

TOBACCO *Facts*

Schools Reporting a Comprehensive Tobacco-Free School Policy

Many North Dakota schools have adopted comprehensive tobacco-free school policies, thus earning the Gold Star Award. Many more are working toward that distinction. To earn the Gold Star Award, a school must have all the components of the Comprehensive Tobacco-Free School Policy Checklist included in its tobacco policy. To view the checklist, go to www.ndhealth.gov/tobacco/Schools.htm.

Districts Reporting Comprehensive Tobacco-Free School Policy

Number of Districts in N.D.	Number of Districts With Policy	Percentage of Districts With Policy
236	88	37%

Students Protected by Comprehensive Tobacco-Free School Policy

Enrollment in N.D. Schools	Enrollment in Schools With Policy	Percentage of Students Protected
105,568	53,246	50%

Source: School district totals and enrollment totals are from the North Dakota Department of Public Instruction's North Dakota Educational Directory 2010-2011. The number of districts in North Dakota is based on the districts that have enrollment greater than zero. Total enrollment numbers are based on the total enrollment in grades Pk-12.

Disclaimer: Every effort is made to ensure that the schools listed here are indeed Comprehensive Tobacco-Free Schools; however, the North Dakota Department of Health is not responsible for schools that may be misrepresented, and does not guarantee the accuracy of the information placed in this listing.

If you are aware of any Comprehensive Tobacco-Free Schools that are not listed, call, fax or mail the school name, full address, phone number and the date the school went tobacco-free (if known) to the North Dakota Department of Health, Tobacco Prevention and Control Program, 600 East Boulevard Ave., Department 301, Bismarck, N.D. 58505-0200, Phone: 701.328.3138, Fax: 701.328.2036.
