1. Includes Fluorescents (u-bend, compact, circular, etc.) and HID's (metal halide, mercury vapor, high pressure sodium, etc.)
2. Includes nickel metal hydride, nickel cadmium, mercury oxide, silver oxide, lithium, etc.

3. Includes computer monitors, keyboards, CPUs, printers, fax machines, etc.
4. Includes manometers, thermostats, mercury relays, mercury switches, thermometers, etc.

The Rechargeable Battery Recycling Corporation (RBRC) web site at www.rbrc.org and help to find a drop off site for rechargeable batteries near you. If you want a collection container at your site to mail back to RBRC for recycling click on the Businesses tab. Your local Interstate Batteries or BatteriesPlus stores will also recycle your universal waste batteries.

NOTE: The North Dakota Department of Health, Division of Waste Management, maintains this list of service providers solely as a service, and the list may not be a complete listing of available services.

The Division of Waste Management, by providing this list, does not endorse any specific company, service or product nor suggest that any company, service or product is in compliance with applicable laws. The Division also advises interested parties to evaluate the company, service, or product and respective compliance status of the company, service or product they choose.

If further assistance is needed, please contact this Division at (701) 328-5166.
