North Dakota Health Care Emergency Preparedness Conference

Conference Overview

This conference is targeted toward nurses, emergency medical technicians, paramedics, providers, administration, public health workers, and others in the health care industry with an interest or role in preparedness or response during emergency or disaster situations.

Register FREE at:

NDhealth.gov/EPR/HP/hppconference

Ramkota Hotel

800 South 3rd Street • Bismarck, ND
701.258.7700

A block of rooms has been reserved through August 10, 2016.

Key Goals and Objectives

- **Collaborate**
Our goal is to provide a forum to discuss the current state of emergency preparedness in North Dakota.
- **Share Experience**
We hope to gain practical applications and lessons learned from others in real events.
- **Develop**
We aim to advance the knowledge and skills of professionals in preparedness.
- **Recognize**
We will identify key resources and tools that enhance or sustain community response plans.
- **Enhance**
It is necessary to strengthen partnerships and improve the ability to respond to natural and human caused emergency events.

Thank You Partners

Funding for this conference was made possible, in part, by the Centers for Disease Control and Prevention. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
