

North Dakota Department of Health Public Notice
Reissue of an NDPDES Permit

Public Notice Date: 2/24/2016

Public Notice Number: ND-2016-011

Purpose of Public Notice

The Department intends to reissue the following North Dakota Pollutant Discharge Elimination System (NDPDES) Discharge Permit under the authority of Section 61-28-04 of the North Dakota Century Code.

Permit Information

Application Date: 7/23/2015

Application Number: ND0025208

Applicant Name: ADM Processing - Velva

Mailing Address: 1388 Hwy 97, Velva, ND 58790

Telephone Number: 701.338.2491

Proposed Permit Expiration Date: 3/31/2021

Facility Description

The reapplication is for an oil seed processing/biodiesel plant. Treated process and sanitary waste waters are pumped to waste stabilization ponds. Any discharge from the ponds would be to the Souris River, a Class IA stream, through a diffuser. The diffuser allows a near instantaneous mix between the effluent and receiving stream. Additional groundwater sumps are discharged to Spring Creek, a Class III tributary of the Souris River.

Tentative Determinations

Proposed effluent limitations and other permit conditions have been made by the Department. They assure that State Water Quality Standards and applicable provisions of the FWPCA will be protected.

Information Requests and Public Comments

Copies of the application, draft permit, and related documents are available for review. Comments or requests should be directed to the ND Dept of Health, Div of Water Quality, 918 East Divide Ave, Bismarck ND 58501-1947 or by calling 701.328.5210.

All comments received by March 24, 2016 will be considered prior to finalizing the permit. If there is significant interest, a public hearing will be scheduled. Otherwise, the Department will issue the final permit within sixty (60) days of this notice. If you require special facilities or assistance relating to a disability, call TDD at 1.800.366.6868.
