

Act *FAST* at the first sign of *STROKE*
 Every minute a stroke goes untreated,
 1.9 million brain cells die.

Call 9-1-1 when you see the signs

Face: One side droops
Arm weakness
Speech difficulty
Time to call 9-1-1

Calling 9-1-1 allows you to reach the **Stroke System of Care for North Dakota.**

The emergency medical team will alert the nearest stroke-ready hospital and begin life-saving care.

***FAST* treatment is needed to prevent long-term disability.**
