

## “FUTURE OF EMS IN NORTH DAKOTA” MARCH 1, 2016

### Strom Center

1679 6<sup>th</sup> Avenue West  
Dickinson State University ~ Dickinson, ND

Join us for a panel discussion on the future of the Emergency Medical Services (EMS) System in North Dakota. Our current EMS system is facing a number of unique challenges. A panel of EMS stakeholders will facilitate a discussion on; EMS System Development, challenges in staffing and funding, and EMS integration into the healthcare system.

There will be 7 other “Future of EMS in North Dakota” meetings across the state. Dates and locations will be announced at a later date.
