Back to Basics Prevent Connect Webinar

- <http://www.preventconnect.org/2020/11/back-to-basics-preventing-sexual-and-intimate-partner-violence/>
- Mallory shared highlights from the webinar including examples of plain language and metaphors using a river or tree to explain prevention

Prevention is Possible Logo

- Developed in partnership with CAWS ND and NDDoH.
- CAWS is creating prevention materials using the logo. The group requested things such as tips sheets, stickers, and social media posts and images. Contact Kristina if you have ideas on how to use this logo to brand prevention efforts

Bystander Prevention Training Debrief

- Alteristic provided a training to teach preventionists how to shift efforts to have a bystander lens instead of victim/perpetrator
- Takeaways
 - Direct, Delegate and Distract are options that anyone can do
 - How can your community show it does not support violence and everyone is expected to do their part to keep the community safe

Becky (TRCC) – starting to make contact with prevention stakeholders; created prevention tab on website; did social media posts; is now a member of Project Yes Coalitions (youth substance abuse prevention)
