- **Green Dot – Presented by Lea Hegge**
 - Green Dot is a community mobilizing strategy to reduce sexual assault, dating/domestic violence and stalking
 - Community, College, High School, Middle School and Military tracks
 - College and High School has been evaluated with positive results
 - Community Track is currently being evaluated
 - See attached PPT slides
 - hegge@livethegreendot.com

- **Elevate Report – Dayna Olson**
 - Dayna shared how Rape and Abuse Crisis Center hosted Elevate, a primary prevention program for high school students that empowers young adults to promote healthy relationships and prevent dating violence.
 - It involved a healthy relationships class delivered at an alternative high school. From those classes, Ambassadors were recruited to plan an experiential event that focused on boundaries, consent and communication.
 - The report can be found on the toolkit
http://www.ndhealth.gov/injury/nd_Prevention_Tool_Kit/PrimaryPreventionWork.html.

- **Prevention Capacity Survey Results**
 - Survey was taken by PPP and RPE Grantees in January 2017. Results were shared and discussed.
 - The group identified the following areas as future agenda ideas based on the survey
 - Principles of Prevention – putting into practice, how principles apply to specific programs
 - Prevention Language
 - Evaluation – what is important to track, evaluation 101, outcomes vs. outputs, using excel

- **Program Updates**

- Kate Schirado – passed CBIM information onto Roughrider conference and CBIM will be presented at 2018 conference; can pass on information via Safe and Healthy Schools newsletter; DPI is having new school administrators training and can pass on information
