

Oppressed Majority Discussion Questions

The following questions are designed to engage viewers in a small or large group discussion regarding the Oppressed Majority video. The discussion is designed to take around 20-30 minutes.

Discussion Questions

1. What stood out to you from the video? (If possible, ask all discussion participants to share a quick word or two in response to this question).
2. What did you like about the video?
3. What did you find disturbing from the video?
4. How does the video relate to things that you've witnessed or heard about? (Or) How does the video relate to our work?
5. What would say lies underneath these issues? How does it relate to intimate partner and sexual violence?
6. What might you consider doing differently in the future as a result of watching this video?
7. (If applicable) What ideas do you have for how we can incorporate these ideas or learnings into our work?
