## North Dakota National Standardized Child Passenger Safety Training

### Course Information

This training provides the basic technical skills, experience and knowledge about the proper use and installation of child car seats that are needed when working with parents and caregivers with child passenger safety needs.

### Who Should Attend?

- Law Enforcement Personnel - *POST available*
- Emergency Medical Personnel
- Nurses
- Health-Care Professionals
- Child-Care Providers
- Car Dealership Personnel
- Physical/Occupational Therapists
- Firefighters
- Social Workers
- Any interested adults

### Course Content

This training will provide participants with the technical skills to:

- Identify and correct misuse of car safety seats
- Serve as a community resource at a variety of community events such as car seat checkups
- Educate others about child passenger safety issues
- Reduce potential liability through standardization
- Receive knowledge and skills to meet national certification

The training is taught through a combination of lectures, hands-on practice, role-playing, and written and hands-on skills testing and it concludes with a real-world community car safety seat checkup.

### Register

- Go to: <http://cert.safekids.org>
- Select log in, click on new signup to create a new profile and then log in
- Under action items, select Find/Register and under course search select ND

### Fees

Fees include a two-year national certification, technician manual, car seat instructions CD and ND child passenger safety resources.

- **Certification Fee: \$85.** This needs to be paid online or by check, information in registration link above.
- **Local Fees \$30.** Payable by check only. Send to the North Dakota Public Health Association, information in registration link above.
