

2011 Bioterrorism Preparedness Workshop

Please make room in your busy schedule to attend the 2011 Bioterrorism Preparedness Workshop. The workshop is repeated each day during the week of October 24 – 28. Level A Sentinel Site Laboratories are invited to send one representative to the North Dakota Department of Health; Division of Laboratory Services for bioterrorism training. The workshop will include hands-on laboratory exercises, lectures on BT rule-out procedures, biosafety practices and packaging and shipping regulations. There will be no charge for the training. For more information or to register, please contact Jan Trythall, Bioterrorism Laboratory Training Coordinator. 701-328-6295 or jtrythal@nd.gov

Do not make travel arrangements until I contact you with the finalized course schedule.
