Product Types

Types of usable marijuana under the North Dakota Medical Marijuana law are:

1. Dried Leaves and Flowers
2. Cannabinoid Concentrates or Extracts
3. Medical Cannabinoid Products
 - a. Solutions
 - b. Capsules
 - c. Transdermal Patches
 - d. Topicals

Exceptions for Minor Patients (those under the age of 19):

1. Minors cannot have dried leaves and flowers
2. Minors cannot have any product with >6% THC

Purchase and Possession Limits

Patients and designated caregivers with a valid ID card can purchase the following in a 30-day period:

1. Up to 2.5 ounces dried leaves and flowers
**Enhanced Amount: patients with the debilitating medical condition of cancer may be authorized by their health care provider to purchase up to 6 oz. of dried leaves and flowers.*
2. Up to 4000 mg THC total of other products

Patients can check their “**limit meter**” by logging into the registration system and clicking on the button that looks like this on the top of the screen:

The limit meter will look like this:

Limit Meter

There are three different possession limits for dried leaves and flowers: Standard, Enhanced or 0 (Zero). Cardholders can see what their possession limits are based on their ID card. The front of the card will indicate Standard, Enhanced, or 0 (Zero). The back of the card lists the possession limits for each category.

The following table can be used as a quick reference to determine who is allowed the different limits, what the purchase limit is, and what the possession limit is for each category.

Dried Leaves and Flowers			
	Standard	Enhanced	0 (Zero)
Who	All patients 19 and older.	Those patients with the debilitating medical condition of cancer AND with a special authorization from their health care provider.	All minor patients (those under the age of 19).
Purchase Limit	2.5 ounces	6 ounces	Zero ounces
Possession Limit	3 ounces	7.5 ounces	Zero ounces

Per North Dakota law, there are no possession limits for all other products that are not dried leaves and flowers.

Smoking Provisions:

Consuming medical marijuana in the smokable form falls under the same laws and regulations as tobacco smoke. North Dakota Tobacco Control Laws can be found [here](#).

Limitations:
